

## 2017 Balboa Park Sustainability Awards Application

**Due: Friday, August 18 at 5 p.m.**

The 2017 Balboa Park Sustainability Awards will recognize and honor Balboa Park organizations that have completed innovative sustainability projects in the past year. All finalists from previous years are encouraged to apply. However, no organization may **win** an award two consecutive years in a row.

To apply for the 2017 Balboa Park Sustainability Award, please complete the application below and email it with a minimum of one photo to [sustainability@bpcp.org](mailto:sustainability@bpcp.org) with "Balboa Park Sustainability Award Application | [Organization Name]" in the subject line.

### CRITERIA:

- Applicant must be a member organization of the Balboa Park Cultural Partnership.
- The project must have been initiated, active or completed within the last year. (September 2016-August 2017)
- An organization may submit for more than one project, however a separate application must be completed for each project.
- No one organization can win an award for two consecutive years.
  - Award finalists in previous years may be winners or finalists in 2017.
  - 2015 award winners may be winners or finalists in 2017.
  - 2016 award winners will only qualify as finalists in 2017, but are not eligible to be award winners.
- If a previously submitted project is submitted again in 2017, there must be a clear demonstration of improvement or progression of the project goals and outcomes.
- All applications must be submitted by the Friday, August 18 at 5 p.m. deadline.

### SCORING:

The Balboa Park Sustainability Council and Nomination Committee will review all applications for (a) completeness of the application, (b) confirmation that all criteria is met and (c) weighted total score based on the scorecard below.

Category	Raw Score (1-5)	Weight	Weighted Score	Description
Innovation		0.25	0	The project exhibits creative thinking
Comprehensive		0.1	0	The project demonstrates a holistic viewpoint of sustainability
Impact		0.25	0	The project demonstrates quantitative and qualitative achievement
Collaboration		0.1	0	The project provides a benefit outside of the institution
Integration		0.2	0	The project demonstrates an integration of sustainability at core level of the institution
Regional Priority		0.1	0	The project helps to solve a regional sustainability challenge
<b>Total Points</b>		100%		

### TIMELINE:

- Application process opens on Monday, June 12, 2017
- Application deadline is Friday, August 18, 2017 at 5:00 p.m.
- Award winners will be announced on Thursday, October 26, at the Sustainability Partners' Breakfast.

Please answer the following questions with as much detail as possible. Complete the application below and submit via email with a photo no later than **Friday, August 18 at 5 p.m.** to [sustainability@bpcp.org](mailto:sustainability@bpcp.org).
