

SUSTAINABILITY PARTNERS' BREAKFAST

BALBOA PARK

"Making the Commitment"

Before the discussion panel begins, we will engage in an activity, led by our panel moderator, that will help us determine our role in helping our organization make a commitment to sustainability.

To begin, circle the words above that describe your organization's relationship with environmental sustainability.

Check the items below that describe the co-benefits you hope to find within a sustainability project or program.

- Saves Money/Reduces Costs
- Supports Mission
- Process Efficiencies
- Community Engagement
- Employee Engagement & Retention
- Enhanced Guest Experience
- Facilities Improvement
- _____

Sustainability Challenge!

What one action will I personally commit to do to help my organization's sustainability efforts?

Making a Commitment to Sustainability Improves your Organization's
